Thank you for choosing to give back to CCA. As part of the Fox Family, we are committed to giving our time, talent, and resources to create a place **where all students succeed**. A *Leadership* gift of \$60 or more earns special recognition, a *Trailblazer* gift of \$300 or more receives special recognition & a limited-edition t-shirt, and a gift of \$500 or more makes you part of the *President's Society* (special recognition, t-shirt & dinner with Betsy). Below is information about how the CCA Foundation gives back and how you can participate in the 2016 CCA Gives Hope Campaign.

### 2016 CCA Gives Hope Gift Designation Choices

This year, you may choose from any one of the six following gift designations.

- ❑ **CCA Staff & Faculty Scholarship:** A committee of CCA staff and faculty select the scholarship recipient. To be eligible for the \$1,000 scholarship, applicants must have and maintain a 2.5 GPA, be working toward their first college degree, and take at least 6 credit hours each semester. Note: 70% of contributions will be distributed for Fall 2017 scholarships and 30% retained as endowment.
- ❑ **15 to Finish Scholarship:** This \$1,000 scholarship supports students from all backgrounds and program areas that have 15 or fewer credits left to complete their CCA degree.
- ❑ **Model UN:** Your contribution will assist CCA to send its highly praised Model UN team to compete against other colleges and universities, most of which are 4-year institutions.
- ❑ **Student Emergency Needs Fund:** Managed by the Office of Student Intervention and Retention, this emergency assistance fund assists students facing unexpected and unavoidable emergencies that cause a financial hardship. This fund helps with costs of books, bus passes, or other practical needs.
- ❑ **2016 Spotlight Scholarship—Dr. Bergren Scholarship:** Created in memory of Dr. Todd Bergren (CCA faculty in Biology and Biotechnology), this \$1,000 scholarship supports students who have a 2.5 GPA, are taking at least 6 credit hours, and whose plan of study has an emphasis in a science. Strong preference is given to students who are single-parents.
- ❑ **Other Existing Scholarships:** Recognizing that many of you annually support specific scholarship or program funds at the CCA Foundation, you may continue to support your favorite existing scholarship. For a full list of scholarship funds, visit <http://auroragives.org/scholarships>.
