FoxTrot 5K

Become a CCA Champion

The Community College of Aurora (CCA) invites the Aurora community to run with us. CCA's 2nd annual (but first virtual) FoxTrot 5K will be the entire month of October.

CCA continues to serve the most diverse student population in Colorado. Thanks to partners like you, CCA Foundation awarded over \$500,000 in scholarships last year. Although COVID-19 has changed the way the world gathers, we still want to invite our partners to help us create opportunities for our students.

Partner with us to make a difference by helping students stay on the path to a college credential. By becoming a sponsor with CCA, you are saying,

- Yes to more students receiving scholarships.
- Yes to the expansion of in-demand certificates and degree programs.
- Yes to strengthening the local workforce.

Say yes, and help our students and community move Together Forward! Join CCA in promoting a healthy, active and fun event. If you have any questions please contact our Director of Development, Lynn Adams at 303-361-7416 or by email at lynn.adams@ccaaurora.edu.
